

Reisen-Touren is a German online travel magazine edited for people who are interested in learning about or taking a vacation. The editorials include features and descriptions of hotels, residences, camping and outdoor holiday structures, stays at treatment spa and beauty centres, travel itineraries, vacation guidelines, tour combinations, sea and air packages, travel products, activities and suggestions such as shopping, restaurants, resorts, sports and excursions.

In the specific heading "Our savings offers" the reader gets a holiday discount on the price list of the advertisers. Reisen-Touren will forward the discount certificate directly to the applicant. There are no agreements or commitments with travel agents and travel agencies.

Readers and News: Reisen-touren appeared on the Web in 2000 and this year is celebrating it's 10. Anniversary. This travel portal has been designed as an editorial exposition with a review of selected tourist addresses. Counts number 15 thousand single readers and over 25 thousand page views per month in the summer. In 2010 Reisen-touren was fully renovated with the inclusion of a new unique marketing system that makes a concrete and direct sales tool available to its advertisers.
